

WE WANT YOUR INPUT!

The City of Boone Arts Advisory Team wants to hear your thoughts, ideas, and vision for public art in our community!

Whether you love murals, sculptures, or community art projects, your voice matters.

Take a few minutes to fill out our Public Art Questionnaire and help shape the creative future of Boone!

Questionnaire closed 8/31/26, so respond today!

The feedback we collect will be shared directly at an upcoming City Council meeting to help guide future public art initiatives.
